Pivotel Connected LLC. (Pivotel) Bivy plans use the Iridium Mobile Satellite Network. All plans will auto-renew until cancelled. Cancellation of the Annual plans after the four (4) month initiation period will be charged for an additional three (3) months of service at the Annual rate. All billing for upgrading and downgrading of data plans will be billed at the beginning of each month. A Fair Use Policy is applicable to the Unlimited and Enterprise plans and may be applied if the user overly exceeds the monthly average consumer usage. Monitoring and dispatch is provided by Global Rescue for every active Bivy Stick account. A Global Rescue subscription may be purchased at [pivotel.com/global-rescue](https://pivotel.com/global-rescue) to pay for a potential rescue, however this is separate from your Pivotel Bivy plan subscription.
